Everything.
And a little more.

1.2-liter MIVEC GLX shown with optional equipment / White Pearl [W54]

The compact sedan you've been waiting for

Everything you seek in a compact sedan is here in the Attrage. From outstanding fuel economy to easy maneuverability, it meets your highest expectations. But the Attrage doesn't stop there. Its surprisingly roomy interior and wide-ranging amenities reach far beyond its class to enhance driving pleasure. The attractive exterior with bold sedan face and wide, stable rear is also aerodynamically shaped to enhance eco performance. The more you drive the Attrage, the more you appreciate the little extras that make driving a joy.

CHROME FRONT GRILLE

Just the right touch of elegance for a class-above compact.

FRONT FOG LAMP

Dynamic styling with a progressive chrome bezel.

15-INCH ALLOY WHEEL

Refreshingly stylish wheels add an eye-catching accent.

Pleasing refinement in every detail

Tastefully designed and smoothly sculpted, the streamlined Attrage appears eager to slice through the wind. From confident face with handsome chrome grille and appealing headlamps to sleek contoured sides with sporty wheels and taut chrome-accented rear, every detail of the Attrage conveys quality and style. It's a look that enhances the pleasure of the driving experience wherever you go.

1.2-liter MIVEC GLX shown with optional equipment / Cool Silver Metallic [A66]

Note: Equipment may vary by market. Please consult your local Mitsubishi Motors dealer/distributor for details.

1.2-liter MIVEC GLX shown with optional equipment / Embossed fabric seats (Ivory)

Interior

Share the refreshing comfort

Welcome to a comfortable space with roominess among the top of its class. The simple yet stylish interior surrounds you and your passengers with quality materials, smooth flowing lines and a seamless fit and finish that conveys quality craftsmanship. Soft yet supportive seating, thoughtful amenities and attractive features like silver accents further enhance your driving pleasure. In the Attrage, traveling is always a relaxing and enjoyable experience.

PEOPLE-CENTERED DESIGN

The Attrage puts people first. It maximizes passenger space and comfort while meeting your everyday needs with practical features. Choose from a monotone black or two-tone (black and ivory) interior color scheme, whichever suits your style.

Note: Equipment may vary by market. Please consult your local Mitsubishi Motors dealer/distributor for details.

Amenities

LARGE TRUNK

Large and easy to load, the trunk offers a generous storage capacity of 450 liters (measured by VDA method).

SEMI HIGH-CONTRAST METER CLUSTER WITH CHROME SURROUNDS

The meters are large and easy to read with continuous illumination and a silver garnish to enhance your enjoyment. Adjustable brightness contributes to easy reading at a glance in any lighting.

GENERAL-PURPOSE MONITOR: MULTI-INFORMATION DISPLAY

Outer temperature / Frost alert
 Tripmeter
 Meter illumination control
 Driving range display
 Average fuel consumption
 Service reminder (in distance)

REAR CUP HOLDER

This cup holder keeps large beverages within easy reach.

SEATBACK POCKET

Place maps where you can easily find them when you need them.

CONVENIENCE HOOK

Shopping bags stay upright when hooked to hang behind the seat.

CD PLAYER WITH UNIQUE TYPE CENTER PANEL

This unique system includes a CD player and AM/FM radio.

1-DIN AUDIO WITH CD AND AM/FM RADIO

Mount the audio system of your choice in the center panel.

AUTOMATIC AIR-CONDITIONING

Comfortable cabin temperatures are yours to enjoy year around.

MANUAL AIR-CONDITIONING

Finely adjust air conditioning with user-friendly controls.

TRAY AND GLOVE BOX

Items such as sunglasses are easy to find when you put them on the tray, while the glove box is better for storing bulkier items.

FRONT DOOR POCKET WITH BOTTLE HOLDER

The perfect place to keep personal items while you drive.

FLOOR CONSOLE CUP HOLDERS

Keep drinks within easy reach of you and the front passenger.

POWER DOOR MIRROR

Handy controls make it easy to achieve the desired viewing angle.

SIDE TURN LAMP ON DOOR MIRROR

By clearly signaling intentions, this enhances your driving safety.

HEIGHT-ADJUSTABLE DRIVER'S SEAT

Adjust the height of the driver's seat to suit your preference.

INNER DOOR HANDLE

Stylish handles give the doors an attractive silver touch.

AUDIO AND HANDS-FREE PHONE SWITCHES

Convenient controls for the audio system and Bluetooth® hands-free mobile phone system are mounted on the steering wheel for easy-to-reach access.

Note: Bluetooth is a trademark of Bluetooth SIG, Inc.

USB PORT

Designed for easy connection with digital audio players, etc.

Efficiency

 **4.8** L/100km*

CLASS-LEADING FUEL EFFICIENCY

The lightweight body and smooth aerodynamics contribute to class-leading fuel efficiency, as well as smooth and stable acceleration. Traveling is more affordable, eco-friendly and enjoyable in the Attrage.

* Fuel consumption when equipped with 14" tires. According to internal test results using EU Combined cycle.

1.2-liter MIVEC GLX shown with optional equipment / Red Metallic [P19]

1.2-LITER DOHC 12-VALVE MIVEC ENGINE

When you demand acceleration, the Attrage responds with spirited torque and horsepower while maintaining impressive fuel economy.

MITSUBISHI INNOVATIVE VALVE TIMING ELECTRONIC CONTROL SYSTEM (MIVEC)

Intake valve timing is continuously optimized in response to driving conditions to ensure smooth powerful response at all times.

INVECS-III CVT

The INVECS-III* CVT wide-ratio transmission maintains optimal rpm for high performance and fuel economy. You'll enjoy smooth acceleration and deceleration, as well as efficiently selected gear ratios in all driving conditions. An illuminated indicator provides easy reading at a glance and the shift knob is leather-wrapped for your pleasure.

* Intelligent & Innovative Vehicle Electronic Control System III

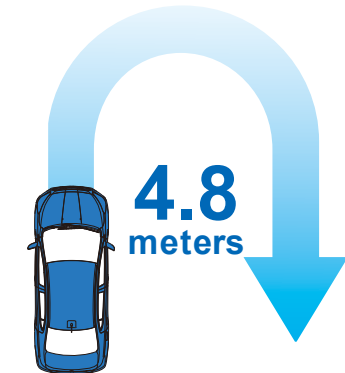

OUTSTANDING AERODYNAMIC PERFORMANCE

The Attrage is streamlined based on advanced computer simulation to slip through the wind with a class-leading drag coefficient of $C_D=0.29^*$ that lowers noise, raises fuel efficiency and enhances handling stability.

* According to internal test results.

LIGHTWEIGHT BODY

The weight-optimized body is one of the lightest in its class, thanks to the ample use of high-tensile steel that also offers impressive strength and rigidity that contribute to safety and excellent handling.

MINIMUM TURNING RADIUS

An extremely tight turning radius, one of the smallest in its class, makes the Attrage easy to maneuver through narrow city streets and crowded parking lots. Drivers of every experience level will find the Attrage simple to handle.

1.2-liter MIVEC GLX shown with optional equipment / Wine Red Pearl [P57]

Safety

PRETENSIONERS
Pretensioners automatically tighten the front seatbelts in the event of a collision to help restrain the driver and front passenger. (Optional for front passenger.)

DRIVER AND PASSENGER SRS AIRBAGS

In the event of a collision, front SRS airbags activate to help protect you and the front passenger by absorbing the force of impact.

High tensile strength steel
■ 980 MPa
■ 590 MPa
■ 440 MPa

RISE BODY

To protect you and your passengers, the Attrage features a solid Reinforced Impact Safety Evolution (RISE) body constructed of high tensile strength steel that effectively absorbs and disperses crash energy from all directions while also significantly reducing overall weight.

4ABS

The four-wheel anti-lock brake system helps prevent the wheels from locking up during emergency braking so you can maintain greater steering control, even on slippery roads.

EBD

Electronic Brake-force Distribution distributes braking force to all four wheels to enhance braking performance.

ACTIVE STABILITY CONTROL (ASC)

If wheels lose their grip on slippery surfaces or while turning, ASC automatically adjusts engine output and applies braking force at the appropriate wheels to help maintain control and prevent skidding.

HILL START ASSIST (HSA)

When starting on a steep slope, HSA helps prevent you from rolling backwards while you release the brake by maintaining the braking force for up to two seconds until the accelerator is applied.

TIRE PRESSURE MONITORING SYSTEM (TPMS)

TPMS employs sensor-transmitters in the wheels to monitor tire pressure and illuminates a warning lamp on the combination meter cluster if one or more tires become significantly underinflated.

POWER WINDOW

The driver's side window can be raised or lowered with a single touch and features an anti-trap mechanism for safety.

LED HIGH-MOUNT STOP LAMP

An LED stop lamp is mounted in the rear window to enhance safety by clearly indicating your braking intentions to drivers behind you.

IMMOBILIZER

The engine can only be started when a dedicated key with matching authentication code is used. This advanced security system effectively prevents vehicle theft.

Note: Equipment may vary by market. Please consult your local Mitsubishi Motors dealer/distributor for details.

Convenience

KEYLESS ENTRY SYSTEM

The keyless entry system lets you lock or unlock the doors and trunk with the press of a keyless entry key. Two keys are provided for the convenience of couples.

ETACS (Electronic Time and Alarm Control System)

LANE CHANGE TURN SIGNAL SYSTEM

When changing lanes, you can lightly touch the turn signal lever to flash the turn signals three times. Flashing is also indicated on the instrument panel.

AUTO DOOR RELOCK SYSTEM

Within 30 seconds of pressing the unlock button from outside the vehicle, this system will automatically relock all the doors if none have been opened.

HEADLAMP AUTO OFF FUNCTION

After switching off the ignition and stepping out of the car, the headlights automatically turn off to help conserve battery power.

OPEN DOOR ALARM

An alarm sounds automatically if you start driving while a door remains partially or fully open.

INTERIOR LIGHT DELAY

After removing the ignition key from the cylinder, the interior light remains on for 15 seconds to allow scanning for possessions before exiting.

AUTO SPEED ADJUSTABLE WIPERS

In the Timing mode, the window wipers operate normally at vehicle speeds below 60km/h and faster at higher vehicle speeds.

POWER WINDOW TIMER

Even after shutting off the engine, the power windows can be opened or closed for 30 seconds (before opening the door).

GLX

Key features Standard:

- 175/65R14 tires + 14" steel wheels with wheel center caps
- Front disc brakes (ventilated)
- Rear drum brakes (leading & trailing)
- Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD)
- Active Stability Control (ASC)
- Hill Start Assist (HSA)
- Brake Assist
- SRS airbags (driver & front passenger)
- 3-point ELR seatbelt x 2 with single pretensioner (driver)
- Laminated windshield glass

- Color-keyed outer door handles
- Color-keyed power door mirrors
- 3-spoke urethane steering wheel
- Combination meter
- Multi-information display
- Manual air-conditioning (3-dial type controller)
- Power windows (front doors)
- Immobilizer
- Rear fog lamp on rear combination lamp (driver's side)
- Gear shift indicator panel with illumination and silver garnish

Optional, shown:

- 175/65R14 tires + 14" steel wheels with full wheel covers
- Keyless entry with 2 transmitters
- Front and rear power windows with auto up & down function on driver's side (anti-trapping function)
- 2-DIN center panel + 1-DIN AM/FM & CD player with 1-DIN box
- Speaker x 2 (on front doors)
- Accessory socket on instrument panel

Note: For a complete list of standard and optional equipment, please refer to pages 17 and 18.
